NEWS BULLETIN

- **Foodbank Services**

We have temporarily discontinued this service in order to improve safeguarding protocols and to refine how we interact with the community. We look forward to re-starting this service with full force!

- **Refugee Women Empowerment (RWE)**

The project received some excellent

publicity on Wales 24/7 and Business News Wales.

When it comes to working with participants, there has been some great feedback with RB saying,

"After speaking to Saskia I felt confident to start applying for jobs again. She's nice and a good listener, I recommend her services."
